#### 5. Work Based Scholarships:

University of South Asia has introduced a unique Scholarship Program to provide financial support to the students who cannot afford the cost of higher education. This program is called Work Based Scholarship. As the name suggest, it is an option provided to all the students besides DPT, Law and Architecture programs to apply for 30% to 90% fee assistance for which they work for 10 to 30 hours per week. The work will be related to the education of students providing them great opportunity to gain hands on work experience and they will be asked to work from office, home or online. University will determine the abilities of students and provide them training accordingly and they will work on projects after completing the training sessions.
